

# THE ISND POST GRADUATE TRAINING IN NEURO-DEVELOPMENTAL DELAY (NDD)

## FOR OVERSEAS STUDENTS 2012

(subject to numbers)

For those wishing to complete the training course, but live overseas, the following option is available:

- This course will condense the first 3 modules of the ISND course, which usually comprises 3 separate weeks spread over 6 months, into 3 consecutive weeks, starting on the 17 January 2012 to 3 February 2012 and will be held in Auckland. This option is subject to numbers.
- The content of the course will be identical to the 1 year NDD course, but the qualifying examinations will be held in October 2012 to allow time for all practical assignments to be completed.
- Entry requirements, assignments, examinations and course fees will be exactly the same as for the 1 year NDD course and it is probable that overseas students will join together with students attending the 1 year course for Module 1 (and 4).

### COURSE FEES

\$977.50 (NZD) incl. GST **per module.**

- A non-refundable deposit of **\$400 + 15% GST** (\$460 incl. GST) is required at the time of application to secure a place on the course. In the event that the applicant should not be accepted into the course, this deposit will be returned.
- The remaining \$450 + 15% GST (\$517.50) must be paid to Smart Learning Solutions Ltd no later than the first day of Module 1.
- Fees for Module 4 should be received 1 month prior to Module 4.

**Total course fees NZD\$3910 incl. GST**

Course fees do **not** include meals or accommodation or books.

**Applications close 31 December 2011.**
